Property Description

This home is located in a quiet neighborhood but just miles from downtown Crystal Lake or Woodstock. Beautiful and desired corner lot makes for an amazing backyard with plenty of room to create your own backyard oasis. Plenty of garage space with both an oversized attached garage as well as oversized detached garage. The home has incredible entertaining space that must be seen. This is a solid home looking for a new family to enjoy. Schedule your walk through to see first hand! Main Floo ... [more info online](#)
