

Meticulously updated Tudor Revival in the highly desirable Blue Valley Northwest school district.

Property Description

Meticulously updated Tudor Revival in the highly desirable Blue Valley Northwest school district. Newly installed, and highly resilient, bamboo flooring spans the spacious first level. The open floor plan and new windows wash the morning light throughout the house. Generously sized kitchen, updated with beautiful white cabinets, stainless steel appliances and a timeless granite countertop and tile backsplash. Plenty of space for a butcher block island and in-kitchen dining. The second level host ... **more info online**
