

## Lot 6 Stone Circle

### Property Description

A boat slip is included in this price. Located in a quiet wooded subdivision with good C&Rs. The waterfront lot, with lots of trees and interesting boulders, is just a short distance from the community dock. The rock shoreline keeps the water clear here. Close to Cherokee Recreation Area and Cherokee Wildlife Management Area. There are very few lots with boat slips left on the lake. Adjacent lot with boat slip and like new boat lift is also available.
